

Ole Miss Maritime Message

Looks like we are jumping right into Summer with this warm muggy weather! Boats are working their way into the water which means the 2011 Boating Season has started. Make sure to call the office to schedule your launch date if you have not done so yet.

As stated in the previous newsletter: All slip holders for the 2011 Season **MUST** return a signed contract for their slip with a proof of insurance. If you need a new contract please contact the office and we will get one to you as soon as possible. This is a must!

Since it's still early, we are unsure how much help we will have through out the Summer; therefore, dock repairs will be done when it is convenient for us. Please be patient!

Even though River City Days is a few months away, it'll sneak up on us before we know it. This year River City Days Parking will be a first come first serve basis in the reserved parking area at Bay Point Park. If you pay to park in the gravel lot during this weekend, keep your receipt and bring it to the gas dock for a free pump out. Only **ONE** per **BOAT** may be used for the 2011 Season. Or you may park in the new storage lot for no charge.

The Gas Dock will officially open **Friday May 20th**. Our first day (Friday) we will be open from 1pm-6pm, and then starting Saturday May 21st we will start our normal summer hours (listed above).

Water Inconvenience

Many of you may or may not know that we currently do not have water at our Bay Point Location due to the flood. We are hoping to have water by May 18-20th. If we are unable to fix it by this date, the gas dock will still be open but only for gas. Pump outs will resume when we have access to water. Also, this means the bathrooms/showers are not open yet. We are trying to fix this as soon as possible! Be patient with this inconvenience while we are trying to work in a timely manner.

2011 Summer Crew

We are thankful to have our same crew back this summer. Working with Kevin on maintenance: Matt Young, Josie Alleva and Bob Engberg. Working the gas dock, office and other duties include: Missy Diercks, Kait Breuer, Kaela Stellrecht, Laura Anderson and Courtney Williamson.

If you have any questions, please call the Office. We want you all to have an enjoyable and safe boating season!

Office: 651-388-5839

Gas Dock: 651-388-8643

Gas Dock Hours for Summer 2011

Monday-Thursday: 10am-6pm

Friday-Sunday: 9am-8pm
